

SRINIVASA GOWTHAM PENAGAMURI

Guntur, India

+91 8106008373 — srinivasagowthampenagamuri@gmail.com — [LinkedIn](#) — [GitHub](#) — [Portfolio](#)

Education

Vignan University, Guntur

Bachelor of Technology in Computer Science

Aug 2022 – May 2026

CGPA: 8.53

Projects

Department Magazine Portal | [Live Demo](#)

April 2025 - Present

(React.js, Node.js, Express.js, MongoDB, Puppeteer)

- Implemented and deployed a full-stack MERN portal to digitize the CSE department magazine, showcasing student achievements, faculty posts, and event updates.
- Developed role-based access with an admin panel for reviewing, approving, and publishing submissions, and handed over the platform to junior batches for future editions.
- Delivered a secure system with **React**, **Node.js**, and **MongoDB**, supporting **50+ concurrent users**.

GradeUpNow | [Live Demo](#)

Dec 2024 – Present

(React.js, Firebase, Firestore, Netlify)

- Designed and deployed a learning platform to practice programming and core CS subjects.
- Integrated built-in notes and real-time internship/job notifications, reducing effort to track opportunities by nearly **50%**.
- Built responsive front-end with React and implemented serverless backend architecture using Firebase for authentication, Storage and real-time database operations.

Traffic Sign Recognition | [Git Link](#)

Sept 2024

(Python, OpenCV, TensorFlow, Keras)

- Published and accepted in **IEEE Xplore**, showcasing the research contribution of this project.
- Directed a **4-member** team to design and implement a neural network model trained on **51K+** images.
- Designed and tested the model through a Python Tkinter GUI, achieving **98%** classification accuracy.
- Delivered a Tkinter-based desktop program to validate and demonstrate the trained model.

Technical Skills

Languages: C++, C, python, Java.

Technologies & Frameworks: HTML5, CSS3, Bootstrap, Tailwind CSS, React.js, Node.js, Express.js

Databases: MySQL, MongoDB, DynamoDB

Tools: VScode, Notion, Eclipse

AWS Services: Lambda, SQS, SNS, S3, IAM, EC2

Core Subjects: Data Structures & Algorithms, OOP, Operating Systems, DBMS.

Coding Profiles & Competitive Programming

- **GeeksforGeeks:** Secured **70st rank** in college leaderboard among **3000+ students** [View Profile](#).
- **LeetCode:** Solved **250+ Data Structures & Algorithms problems** [View Profile](#).

Achievements Awards

- Secured **121st** rank in Entrance Examination for Andhra University.
- Selected for **PwC Launchpad Program 2025** (Top 13 of 700+ peers).
- Participated in kshitij coding competition conducted by **IIT Kharagpur**.
- Organized and coordinated the Code Castle 2024 hackathon with **150+** participants, managing logistics and event flow.

Certifications

- **Amazon Web Services** — Acquired foundational knowledge in AWS cloud services, global infrastructure, and core security practices. [View Certificate](#)
- **Cambridge Preliminary English Test** — Intermediate English proficiency. [View certificate](#)
